TAX MANAGEMENT

INTERNATIONAL JOURNAL

1999 ANNUAL INDEX

How to Use This Index

This topical index provides references to material in the 1999 TAX MANAGEMENT INTERNATIONAL JOURNAL. Entries are followed by page citations.

This index is arranged alphabetically, word-by-word. For example, the heading NET WORTH TEST precedes the heading NETHERLANDS. Numbers are treated as if spelled out, e.g., an entry starting with "1999" will appear in the "Ns."

This index publishes at 6-month intervals, cumulating to a 12-month annual.

See also the TABLE OF AUTHORS, TABLE OF CASES, and TABLE OF IRS DECISIONS AND RULINGS, at the end of this Index.
